## Annexure- I

### RESOLUTIONS TAKEN IN THE MEETING OF BOARD OF STUDIES IN ENGINEERING OF DIBRUGARH UNIVERSITY ON 21-01-2015 AT 3 P.M. IN THE OFFICE OF THE PRINCIPAL, JORHAT ENGINEERING COLLEGE

The members present in the meeting resolved as follows:

**1) The clauses 4(g) (i) and 4 (g) (ii) present in the current B.E. regulation are as follows:**

*4(g) (i) If a candidate has not more than 3 (three) arrear subjects of  $n$ th and  $(n+1)$ th semester taken together, he/she will be provisionally promoted to the  $(n+2)$ th semester ('n' stand for any odd semester) and will be eligible for appearing in the  $(n+2)$  th semester examination.*

*(ii) A candidate having more than 3 (three) arrear subjects in  $n$ th and  $(n+1)$ th semester taken together may be allowed to appear in his/her arrear subjects in the subsequent  $n$ th and  $(n+1)$ th semester examination*

The board members resolved that clause number 4(g)(i) and 4(g)(ii) should be removed from the regulation.

**2) Clause 4(i) in the current regulation is cited below:**

*(i) To be eligible to attend classes in the 4th semester a candidate must clear all the subjects of 1st semester.*

*(ii) To be eligible to attend classes in the 5th semester a candidate must clear all the subjects of 1<sup>st</sup> and 2<sup>nd</sup> Semesters*

*(iii) To be eligible to attend classes in the 6th semester a candidate must clear all the subjects of 1st, 2nd and 3rd semester.*

*(iv) To be eligible to attend classes in the 7th semester a candidate must clear all the subjects of 1st, 2nd, 3rd and 4th semester.*

*(v) To be eligible to attend classes in the 8th semester a candidate must clear all the subjects of 1st, 2nd, 3rd, 4th & 5th semester.*

The board members resolved that clause number 4(i) should be removed from the regulation.

**3) Clause 4(e) reads as:**

*4(e) A candidate appearing in a regular odd semester examination shall be promoted provisionally to the next even semester courses carrying all the failed subjects of that regular odd semester examination subject to the conditions in clause (4 (i)).*

In the proposed modification, this clause is redundant and should be removed.

**4) The following new clause should be introduced under section 4:**

- A student must fill up examination forms for a failed subject whenever the regular or compartmental examination for the said subject is held.

**5) Clause 5(c) in the current regulation reads as:**

*5(c) A candidate who passes in all theory/practical papers of any semester examination but falls short of the passing aggregate marks of that examination shall be allowed to sit in the next compartmental/Regular examination of the same semester by choosing any two subjects of his/her choice so as to make up the short fall in the aggregate. Such candidates will be guided by Clauses 8 and 9.*

**This clause is rephrased as:**

A candidate who passes in all theory/practical papers of any semester examination but falls short of the passing aggregate marks of that examination shall be allowed to move to the next higher semester and also allowed to sit in the next compartmental/Regular examinations of the semester where he /she could not secure the required aggregate by choosing a maximum of two subjects of his/her choice so as to make up the short fall in the aggregate. In all such attempts to improve aggregate by a candidate, the better of the mark(s) secured in the current (i.e. the most recent) and its immediate previous appearance should be considered.

6) **The clause number 7 in the current B.E. regulation is no longer necessary and should be removed.**

7) **Clauses 8(a), 8(b) and clause 9 in the present regulation read as:**

8. (a) *A candidate must clear the first four semester examinations of the course within 4 (four) academic years, failing which he/she shall not be allowed to continue the B.E. course. However, under very special circumstances, the Vice-Chancellor of the University, on recommendations of the Principal of the concerned affiliated college, may extend the period for one more year in case of a candidate who fails to complete the first four semesters within the stipulated four academic years.*

(b) *A candidate admitted into the Third Semester as per clause 2 (b) must clear 3rd and 4th semester examinations within two academic years. However, under very special circumstances, the Vice-Chancellor of the University, on recommendations of the Principal of the concerned affiliated college, may extend the period for one more year in case of a candidate who fails to complete these two semesters within the stipulated two academic years.*

9. *A candidate admitted into a semester under clause 2(a) or 2(b) as the case may be, must Clear the Last four semesters (namely, 5th, 6th, 7th and 8th) of the course within the next four academic years after completion of the first four semesters, failing which he/she shall not be allowed to continue the course. However, under very special circumstances, the Vice-Chancellor of the University, on recommendations of the Principal of the concerned affiliated college, may extend the period for one more year in case of a candidate who fails to complete the last 4 (four) semesters within the stipulated four academic years.*

**These three clauses are rephrased as:**

- A candidate who took admission under non lateral must clear all the eight semesters within eight academic years. However, under very special circumstances, the Vice-Chancellor of the University, on recommendations of the Principal of the concerned affiliated college may extend this period for two more additional years.
- A candidate admitted into the Third Semester as per clause 2 (b) under lateral entry scheme must clear all the semesters from third to eighth within six academic years. However, under very special circumstances, the Vice-Chancellor of the University, on recommendations of the Principal of the concerned affiliated college may extend this period for two more additional years.

**8) The clauses 12(c) and 12(d) regarding award of classes are as follows:**

*12(c) Class I: If he /she secures at least 65% marks in the aggregate.*

*12(d) Class II : If he/she secures below 65% marks in the aggregate but not less than 50% marks in*

*the aggregate.*

**These clauses are reframed as:**

- Class I: If he /she secures at least 60% marks in the aggregate.
- ClassII: If he/she secures below 60% marks in the aggregate but not less than 50% marks in the aggregate.

9) The members resolved that there will not be any compartmental examinations for first, second, third, fourth, fifth and sixth semester. Special compartmental examinations will be held for seventh and eighth semesters after 8<sup>th</sup> B.E. regular examination results are published
